

1 paper, give them to your Foreperson.

2 You know where the buzzer is on the right of
3 the jury room as you entered. Push that buzzer. The
4 Clerk will respond and give the written question to
5 the Clerk and after consultation with counsel and all
6 of the parties, I may bring you back into the
7 courtroom for further oral instruction or I may give
8 you a written response to your question.

9 Once you have reached a verdict, push the
10 buzzer and tell the Clerk that you have reached a
11 verdict.

12 Do not tell the Clerk what that verdict is,
13 as the law requires you to announce your verdict for
14 the first time in open court.

15 When you are brought back into the courtroom
16 after reaching a verdict, Mr. Zepp will ask you some
17 questions.

18 The first question he will ask you is,
19 members of the jury, have you agreed upon a verdict?
20 And all of you will respond yes.

21 Then he will ask, who shall say for you?
