Paint You Are Acquainted With

Wouldn't you rather use paint, en-
amel, stain or varnish that you feel
acquainted with?

That's the way with most people—
and most people nowadays feel ac-
quainted with

ACME QUALITY

a name that represents the best of *every-
thing that goes on with a brush.*

Your dealer offers you under this mark,
for every kind of work you can think
of, the Perfect Paint for that purpose.

"The Selection and Use of Paints and Finishes"
tells you exactly how to paint anything. Let
us send you a copy. Free on re-
quest. If your dealer cannot sup-
ply you with the "Acme Quality"
kind we will.
