NOT COME FROM FILES

Dear Lee,

Confirming telephone conversation today, we are pleased to advise our Mines can allocate an additional 200 tons Grade D-11 Amosite Fiber for July shipment to your plants. This is in addition to the original 58 metric tons D-11 and 242 metric tons W-3.

Per telephone conversation, we will arrange for this material to be shipped as follows:

Port Allegany plant	161 metric tons D-11 172 metric tons W-3
Tyler plant	97 metric tons D-11 70 metric tons W-3

Should any further additional tonnage be made available for July shipment we will advise you immediately.

Sincerely,

NORTH AMERICAN ASBESTOS CORPORATION

Secretary
