Subject: Meeting in Region 8

Dave:

I really enjoyed meeting with you in Denver at the Region 8 State Director's Meeting. I was particularly encouraged by your comments about finding some areas where North Dakota actually agrees with some points made by the Region 8 enforcement division. While the comment provided some levity, it appears that some of the Administrator's agenda of better partnerships with states is actually taking root. It should only grow and improve from here.

Please know that I am looking forward to continuing the partnership and discussion. In the meantime, please feel free to contact me if I can be of assistance.

Ken
