Dear Mr. Hoover:

Your letter of the 28th inviting me to take the chairmanship of the committee in connection with seasonal industries has just been received. In addition to being very much interested in this subject, I am always naturally desirous of doing anything which you suggest or request. I would, however, like to talk to you about this a little and if it is convenient I will come in to see you on Wednesday, June 6th, on which day I am planning to be in Washington. I hope this will be satisfactory to you.

Very truly yours,
