

1 Q During the 1940s and the 1950s, did you or
2 any of the other mechanics that worked there, did you
3 wear either a respirator or a dust mask?

4 A No.

5 Q In terms of --

6 A That was at Preston Street.

7 Q Yes, we are talking about Preston Street.

8 In terms of the cleanup, whose job was it to
9 clean up the floor of the garage?

10 A Well, they had a custodian, but each
11 mechanic, most of them, cleaned their own area.

12 Q And the custodian, what would he use to
13 clean the area?

14 A He would only have a broom. Just a regular
15 sweeping broom.

16 Q And approximately how often would the
17 custodian sweep the area?

18 A Maybe once a day.

19 Q Do you recall where the tire shop was
20 located within the garage?

21 A Well, the tire shop was located about -- the
