Kyle - Below, please find an invitation we hope Governor Walker received from the director of surrogate operations at the White House, inviting you to an "end of the year" roundtable discussion with EPA Administrator Scott Pruitt. We hope you can make it and participate in the discussion. Please do not hesitate to contact me if you have any questions. Thank you for your consideration.

Sincerely,

Liz Bowman, on behalf of EPA Administrator Pruitt

Good morning.

We will be conducting an end-of-the year Roundtable with **EPA Administrator Scott Pruitt on Thursday, December 14 at 10:30 am in the White House Roosevelt Room.** The Administrator will highlight what he considers the agency's greatest achievements this year, what he's done to "drain the swamp" and spur U.S. energy dominance. Additionally, he'll be setting the priorities for the agency going into the New Year and open the floor to your questions.

To register for the event, please fill out the WAVES link below. I look forward to seeing as many of you as possible. I'll be sending a reminder email next week.
