Dear Mary Lou:

Enclosed is the member company profile that we discussed recently. I apologize for the delay in putting it in the mail to you – I have been out sick for several days.

If you find that changes need to be made, please note them directly on the profile and send them back to me with Mr. Harnetty's signature of approval.

Thank you. If you have any questions, please don't hesitate to contact me directly at 703/741-5112.

Sincerely,

Romelda H. Guglielmo
