Re: No Further Action Concerning the Potential RCRA Violations at the Sunoco facility located at 9351 Old State Hwy 48 Brownsville, TX 78521.

Dear Ms. Fleming:

I am writing to inform you that the Compliance Assurance and Enforcement Division of Region 6, United States Environmental Protection Agency ("EPA") inspection of the Port of Brownsville on September 25, 2023, included a visit to your facility at 9351 Old State Hwy 48 evaluating the potential for Resource Conservation and Recovery Act ("RCRA") violations. Based on the September 2023 inspections EPA has determined no further action is required.

As part of the inspection process your facility was issued an EPA identification number, referred to as an EPA ID#. That number is TXR000074302. This number was assigned as a way to document the inspection and no future action determination.

The inspection report can be viewed at <https://www.epa.gov/tx/enforcement-compliance-assurance-documents-texas> within 70 days of the inspection. If you have any questions regarding this letter or the file review, please contact Claire Welton of my enforcement staff at either the above EPA address or by telephone at (214) 665-2250.

Sincerely yours,

Jeff Yurk, Manager
Waste Enforcement Branch
