EPA VISIT (VINYL CHLORIDE) - HICKSVILLE, WEDNESDAY, MAY 15th.

Mr. Finfer, U.S. Gov't. EPA, will be visiting the Hicksville plant, Wednesday morning 9:00 a.m. One additional person from EPA will be with him.

I will notify you Wednesday morning when they arrive. Please plan to meet with me in my office with them.

We will discuss the Hicksville plant operations with them, both Plant 2 and Plant 3. They will want to tour our facilities.

They informed me, they will be here about 1/2 day.
