Tony

As discussed, attached Shan's report on the 2nd Shanghai Study progress meeting. Suggest you talk with Shan in view of your forthcoming visit to Shanghai.

Kind regards,

Geert

Rob/Geert,

Overall, the 2004 Annual Meeting was a success, providing an invaluable opportunity for everyone involved in the study to meet face-to-face and openly exchange information and ideas. At present, the study is on target, all data collection will be completed by the end of 2006. A summary of this meeting is attached. Please let me know if you need additional information.

Regards,

Shan
