**Subject:** Administrators Pruitt Schedule- please help [WARNING: SPF validation failed]

Sydney,

In communicating with Ryan initially and then Michell Hale before you arrived, it appeared flexible for the Administrator to come to Earth Day Texas either Friday the 21st or Saturday the 22nd. I had hard initially that the Administrator would like to be back in Oklahoma over the weekend.

We are hosting a legal summit on the 21st that is Private and runs all day. I have scheduled the Administrator to speak at that lunch. It is a private affair, and I felt it would be a great place for him to speak about Flint or his legal philosophy of states rights vs national protection.

I have him scheduled to speak then Friday at lunch, and this can change. but I would like him to address that group at some point on Friday, could be late in the day if possible.

I would also like to set meetings with C level executives for the administrator and possibly have him at breakfast at Crow holdings on Saturday AM.

My question is how can I help have his visit be positive and effective?

We have worked well with many conservatives, last yer Lt. Gov Patrick came as well as our friend Ken Paxton. Patrick has spoken publically at EDT events as well as privately.

WHAt does the administrator want to do?  
We will have various legislators and congressmen here from around the country. Would he like a private meeting with them?  
Congressmen Ken Calvert for example has told us he wants to come and I saw him at the NRCC event on Tuesday.

*I need you input. And I know you are swamped.  
We need to plan as well.*

Please help. Thanks BF

Sydney-

Thank you for reaching out to schedule a conversation between Dan and Administrator Pruitt. Would an initial telephone call be sufficient? I know that he and Dan had an opportunity to visit during the Administrator's tenure in Oklahoma. Please also let me know of any background or advance information on the visit in case Dan would like to invite another member of our team to join.

Also, it was a pleasure to visit with members of your staff, Lincoln Ferguson and Sarah Greenwalt, while we recently visited DC. They were enjoying a lunch break at a local CFA Restaurant. Two great staff members.

Look forward to coordinating with you further.

Evan
