SUBJ: Resource Conservation and Recovery Act (RCRA) Compliance Evaluation Inspection (CEI)
Gulfstream Aerospace Corporation - Main
EPA ID # GAD061022216

Dear Mr. Cown:

On June 2, 2021, the U.S. Environmental Protection Agency, along with the Georgia Environmental Protection Division (GAEPD) conducted a CEI at Gulfstream Aerospace Corporation - Main located in Savannah, Georgia to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report. Deficiencies of RCRA were discovered during the CEI. Corresponding data has been entered into RCRAInfo and this matter is being referred to the GAEPD for further review. Please follow-up with Gulfstream Aerospace Corporation to ensure the deficiencies have been addressed and update RCRAInfo with corresponding information. Pursuant to the Hazardous Waste Civil Enforcement Response Policy, the facility appears to be a secondary violator.

If you have any questions regarding this matter, please contact David Champagne of my staff, by phone at (404) 562-9028 or by email at Champagne.David@epa.gov.

Sincerely,
