COOPERATIVE ADVERTISING AGREEMENT

PLEASE READ CAREFULLY

Date

The undersigned agrees to cooperate with the NATIONAL LEAD COMPANY in advertising Dutch Boy Paints during 1949 on the following basis:

1. National Lead Company will pay 50 per cent of the advertising cost, but in no case is National Lead Company's obligation to exceed 2 per cent of the dealer's 1949 purchases of all Dutch Boy Paints packaged under the blue and white label.
2. Accepted media for this advertising includes newspapers (any of the advertisements shown in the Dutch Boy Newspaper Advertising Aids and for which we furnish mats), radio (any spot announcements based on our suggestions and featuring Dutch Boy Paints), direct mail (as outlined in folder "You Can Paint The Town—") and posters (under the Advertiser Plan outlined on pages 6 and 7 of booklet "Dealer Identification Signs").
3. Allowances for other forms of advertising will be granted only where specific written approval is given in advance by National Lead Company's Advertising Department.
4. Newspaper, radio and poster advertising should be placed locally by the dealer and paid for by him. Receipted bills, accompanied by tear sheets of newspaper advertising and sample scripts in the case of radio advertising, should then be mailed to National Lead Company for proper refund.
5. Dealer will be billed for the Direct Mail Campaign at rates printed on order form, which represent 50 per cent of the actual cost. (Of course, this same amount will be deducted from the dealer's 1949 advertising allowance.)
6. It is understood that no allowances for 1949 advertising will be granted after December 31, 1949.

This agreement becomes effective immediately upon signing by the National Lead Company and the dealer.
