Dear Bob:

Herewith two copies of short memorandum on
Associated Ethyl operations, together with budget
estimate.

Thank you very much for the letter and check.
Your thought that it might help out the present situa-
tion was to the point.

Kitchen wants to report to his Research Com-
mittee on the status of the project at Cincinnati and
has asked if I will look into it and provide material for
him. Would also like very much to bring you up to date
on incidental matters and wonder if you will be going to
Central Society on Friday, 29th, and will be in Cincinnati
on 28th. The 28th will be the best date for me, since
it is not certain that I can get to Chicago and do not
want to go unless my paper is scheduled.

Hope to see you soon.

Sincerely,

Bill
