Re: Alice Warren, Administratrix v.
The Dow Chemical Company, et al.

Dear Larry:

I am forwarding to you herewith copies of the supplemental medical records of John Warren which we have recently received from plaintiff's counsel via Mark Granger. As the covering letter indicates, these supplemental records covered Mr. Warren's hospitalization until the time of his death in January 29, 1988 and also his cerebral concussion and Miniere's Disease in 1985.

We are, of course, retaining a set of these supplemental records. We will also make copies of them for Judy Elledge and John Downey if they wish to have them.

Sincerely,

Lane McGovern
