Union Carbide agrees to sell and Distributor agrees to buy for resale, upon the terms and conditions herein set forth, Products in such quantities as Distributor shall need in its business as a distributor of Products. Distributor shall exercise its best efforts to resell as large a quantity of the Products as possible.

3. PRICES.

(a) The purchase price for Products sold and delivered to Distributor hereunder shall be Union Carbide's standard list price in effect at the time of shipment, less the resale discount specified in Exhibit A. In addition to the foregoing, Distributor shall pay to Union Carbide as part of the purchase price the amount of all taxes, excises or other governmental charges that Union Carbide may be required to pay on the sale or transportation of any Product sold and delivered hereunder, except where the law otherwise provides.

(b) The aforementioned discount shall not apply to any Product ordered by Distributor for use by Distributor or for resale to a corporation owned or controlled, directly or indirectly, by or affiliated with Distributor.

4. DELIVERY AND PAYMENT.

(a) All Products purchased by Distributor hereunder shall be delivered to Distributor and title shall pass f.o.b. Union Carbide's shipping location. All transportation charges shall be paid by Distributor.

(c) Terms of payment shall be net cash 30 days from invoice date.

(d) Union Carbide reserves the right at all times, either generally or with respect to any specific order by Distributor, to vary, change or limit the amount or duration of credit to be allowed to Distributor. Without limiting the generality of the foregoing, all deliveries hereunder are subject to the condition that all indebtedness of Distributor to Union Carbide due before the date of shipment shall first be paid.

(e) In the event Distributor is purchasing any Product for use by Distributor or for resale as provided in Article 3 (b) above, Distributor shall indicate this on its purchase order together with the quantity and type of Product involved.

5. ACCEPTANCE OF ORDERS. All purchase orders hereunder are subject to acceptance by Union Carbide at its King City, California office. 6. TRADEMARKS. Distributor shall not incorporate under or otherwise make use of the name of Union Carbide or of any of its divisions or subsidiaries, or make use of any trademarks or trade name of Union Carbide, or of any trademark or trade name which in the judgment of Union Carbide is confusingly similar thereto, or make use of any sale promotion or publicity literature, displays or stationery of Union Carbide, without the prior written consent of Union Carbide. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES WITH RESPECT TO ANY PRODUCT DELIVERED HEREUNDER WHETHER WRITTEN, ORAL OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY IN OTHER RESPECTS THAN EXPRESSLY SET FORTH AND WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER WARRANTY IMPLIED OR OTHERWISE CREATED UNDER THE UNIFORM COMMERCIAL CODE.

(b) Distributor's receipt of any Product delivered hereunder shall be an unqualified acceptance of, and a waiver by Distributor of any and all claims with respect to, such Product unless Distributor gives Union Carbide written notice of claim within thirty (30) days after such receipt. No claim against Union Carbide of any kind, whether as to Product delivered or for non-delivery of Product, and whether or not based on negligence or warranty shall be greater in amount than the purchase price of the Product in respect of which such claim is made. Without limiting the generality of the foregoing, Union Carbide shall not be liable for any special, indirect or consequential damages whether or not caused by or resulting from the negligence of the seller or breach of the warranties by the seller hereunder.

(c) Distributor represents that it has full knowledge of the hazards involved in handling and using Product and that Distributor has advised its employees, independent contractors, and others, including purchasers of Product from Distributor, of said hazards. The status of the Distributor shall be that of an independent contractor only.

10. FORCE MAJEURE. Neither party shall be liable for its failure to perform hereunder (other than its failure to pay money) caused by circumstances beyond its control, including but not limited to acts of God, fire, floods, wars, sabotage, accidents, labor disputes or shortages, government actions (including but not limited to priorities, requisitions, allocations and price adjustment restrictions), inability to obtain material, equipment or transportation and any other similar or different contingency. The party whose performance is prevented by any such contingency shall have the right to suspend or reduce deliveries of Product during the period of the continuance of such causes or events and the total quantity of Products deliverable under this Agreement shall be reduced by the quantity of the deliveries so omitted. In the event of inability to supply the total demands for Products covered by this Agreement, Union Carbide may allocate its available supply among any or all purchasers as well as departments, divisions and subsidiaries of Union Carbide. Any such suspension, reduction or allocation in the quantity deliverable hereunder shall not be greater than the percentage reduction to other customers or departments, divisions and subsidiaries of Union Carbide taken in the aggregate. In no event shall Union Carbide be obligated to purchase Product from others in order to enable it to deliver Product to Distributor hereunder.

11. DURATION AND TERMINATION.

(a) The term of this Agreement shall commence on the date hereof and shall continue in full force and effect until terminated, with or without cause, by either party giving to the other written notice of termination at least thirty (30) days prior to the effective date of such termination, unless earlier terminated as herein provided. The rights and obligations of the parties under this Agreement shall survive any termination of this Agreement with respect to all orders accepted pursuant to Article 5 above and Products delivered hereunder prior to the effective date of such termination.

Any termination of this Agreement pursuant to this paragraph (b) shall be in addition to and shall not be exclusive of or prejudicial to any other rights or remedies at law or in equity which Union Carbide may have against Distributor.

12. ASSIGNMENT. Any assignment or modification of this Agreement by either party without the prior written consent of the other party shall be void.

13. EXECUTION AND INTERPRETATION.

(a) The provisions of this Agreement shall be construed, and the performance thereof governed, in accordance with the laws of the State of New York.

(b) No change in, addition to, or waiver of the terms or conditions hereof shall be binding upon either party unless approved in writing by an authorized representative, and no modification shall be effected by the acknowledgment or acceptance of release or purchase order forms containing other or different terms or conditions.

(c) It shall be a sufficient giving of any notice or other communication hereunder if the party giving the same shall deposit a copy thereof in the Post Office in a registered or certified envelope, postage prepaid, properly addressed to the other party at the address herein above set forth or at such other address as the other party shall have heretofore in writing designated. The date of giving any such notice or other communication shall be the date on which such envelope was deposited as above provided.
