Sounds good! And thank you-- you are doing a FANTASTIC job. I can't imagine all the stress you're under but I sure am impressed by you.

Let me know what time works and I'll get it set up.

Hi Samantha,

Thanks again for the meeting today. I know we threw a lot of information your way today. Are you free to grab a drink on Monday or Tuesday? Puneet (sitting to your right today) and I would like to sit down and walk you through some material that will be very useful for you moving forward. We hope this meeting will provide you some answers to the questions you brought up today, and give you a road map for moving forward.

Let me know if you have any time.

Thanks,

Hilary
