Dear Mr. McCaig:

Thank you for your response to our request for grab samples of feedstock and product materials for your fluid bed dryer at the Libby, Montana, vermiculite plant. As requested in your letter of May 7, 1984, the sieve analysis data and dryer production rate will be handled as confidential in accordance with the policies and procedures listed in Enclosure 5 of our letter from Mr. Stanley T. Cuffe to Mr. Frederick W. Eaton, dated April 26, 1984. These data will be kept in the U. S. Environmental Protection Agency (EPA) confidential files, and only authorized EPA employees and designated employees of Midwest Research Institute and Entropy Environmentalists, Incorporated, will have access to these files.

If you have any questions or additional comments, please contact me at (919) 541-5595.

Sincerely,

William J. Neuffer
