

44:52:10 0 A I remember that, but I didn't know that
10:45:01:20 0 until somebody showed me that.

10:45:03:30 0 Q Okay. Tell me what you remember about
10:45:05:40 0 that Illinois law that's referenced here?

10:45:11:50 0 A Very little. I just know that somebody
10:45:16:60 0 said there was Illinois Pollution Control Board
10:45:18:70 0 was adopted some kind of a -- some kind of a
10:45:22:80 0 resolution that there would be no more asbestos
10:45:24:90 0 brake linings sold in Illinois after so many
10:45:28:00 0 years, something to that affect. But I didn't
10:45:30:10 0 know that probably up until this meeting.
10:45:31:20 0 Somebody probably told me at that meeting did you

10:45:35:40 0 Q Okay.

10:45:37:50 0 A Or maybe it was shortly -- maybe it was
10:45:39:60 0 months before. I don't know.

10:45:41:70 0 Q Fair enough. And it was your
10:45:43:80 0 understanding that Illinois was proposing a law
10:45:45:90 0 that would have eliminated the use of asbestos in
10:45:48:00 0 brakes in that state?

10:45:50:10 0 A That's correct.

10:45:52:20 0 Q And we live in a society where people
10:46:00:30 0 travel all over the place and move from state to
10:46:02:40 0 state, did you understand in 1971 that had
