Dear Mr. Johnson:

*HR Oakley
DM 00*

Your letter of January 8 to Mr. Paul Yopes regarding the safe handling of asbestos has been referred to us to reply.

The paragraph quoted in your letter seems to cover the situation in as brief a form as possible.

We assume that the reference to "personnel exposed to asbestos dust" includes all persons who may inhale the dust regardless of occupational.

Sincerely yours,

Earle P. Shoup, Chief
Division of Accident
Prevention and Health
