Gentlemen:

We have been referred to you by Mr. Turner of Esso Standard of New Jersey in our endeavor to obtain the quotation and delivery date on one (1) drum containing 55 gallons of iso-octane, each gallon to contain six cubic centimeters of tetraethyl lead--the drum to be non-returnable, and to be accompanied by a National Bureau of Standards certificate as to specifications.

Would you please forward your quotation to us on this material at your earliest convenience, attention of the undersigned. Your early response will be greatly appreciated.

Yours very truly,

COASTAL AVIATION CORPORATION
