

Restriction on the manufacture, placing on the market and use of PFAS

Fluoropolymers Product Group (FPG) Comments to Annex XV restriction report

Second Submission

Please find in this zip file the following documents submitted by the FPG of Plastics Europe

1. Summary note of the documents submitted (this document)
2. The first FPG response to the PFAS REACH Restriction public consultation
3. Guide for the safe handling of fluoropolymer resins, Plastics Europe, 2021.
4. A critical review of the application of polymer of low concern and regulatory criteria to fluoropolymers, Henry et.al, <https://setac.onlinelibrary.wiley.com/doi/10.1002/ieam.4035>
5. A critical review of the application of polymer of low concern regulatory criteria to fluoropolymers II: Fluoroplastics and Fluoroelastomers. Stephen H Korzeniowski et al, 2022 <https://pubmed.ncbi.nlm.nih.gov/35678199/>
6. The FPG RMOA, 2020
7. The FPG SEA 2017/18, 2022
8. Pilot-Scale Fluoropolymer Incineration Study: Thermal Treatment of a Mixture of Fluoropolymers under Representative European Municipal Waste Combustor Conditions and
9. The SEA report, 2023 (ERM) – Two files
10. A study by PRO-K on fluoropolymers waste.
