Melanie,

This is great! If he takes the train in the morning of the 9th. He will not arrive in Augusta until 11:00am. Will that mess up any plans? Let me know what works best for the Commissioner and we will make it happen.

Best Regards,

Latonia

Latonia,

Here's the link to Concord - <https://concordcoachlines.com/>

He could leave Boston from either Logan Airport or South Station, arrive in Augusta at 10:55. It's the same bus - it starts at Logan @ 7:30am, goes to S. Station for pickup @ 8am, then up to Maine.

This is what it's like:

Melanie,

Awesome. I should have a sketch of the info this week. Ken will be coming from Region 1 HQ, in Boston. I just reached out to Region 1 to get an idea of their itinerary so, I can better give you arrange for Ken's arrival. I think this was the suggestion from this fall coordination, to fly into Bangor. I believe Lynn gave me some a websites to look at flights. I'll check and get back with you.

Best Regards,

Latonia

Hi Latonia,

I am happy to work with you on details for Mr. Wagner's visit. Lynn is out this week but I can access the Commissioner's schedule.

Commissioner Mercer recommends flying into Bangor if convenient because there are facilities in the more central part of our state that he would like bring Mr. Wagner to visit.

Thank you,
Melanie Loyzim

No travel plans yet – we wanted to check with you first!

If you're okay with the 9th, I'll have his travel coordinator look at flights and we'll let you know ASAP.

Thank you!

Andrea,
We would be honored to have Mr. Wagner visit our State. Would you be able to be a little specific as to arrival and departure times. Once we know the times we can schedule appropriate visits to best utilize his time.
Thank you and Happy Holidays.

Greetings, Commissioner Mercer!

Apologies for the short notice on this but it seems we have an opportunity to get Ken up to Bangor on **Tuesday, January 9th**. How is that day looking for you?

I recall you wanted to get him out to some sites, so understand if we need to push it out further to allow for coordination w/relevant folks.

Commissioner Mercer –

I hope you are doing well and that you enjoyed your Thanksgiving holiday (and you, Lynn)!

I sincerely apologize we weren't able to schedule Ken to get out to see you in the last couple of months. I happened to run into him earlier today and inquired about this... sounds like his schedule is booked through most of the winter months. Might we look to the Spring to get him out there?

Andrea,

It was nice to meet you in Wyoming and talk this morning. Thank you for agreeing to help with Mr. Wagner's visit to Maine scheduled for the 18th of October. I would like to suggest he fly into Bangor (<http://www.flybangor.com/flight-arrivals>). Instead of Mr. Wagner meeting in our office, we would like to arrange for him to visit sites and members of our regulated community within the State.

Regards,
Paul
