Dear Tony:

It was a pleasure visiting with you last Thursday and discussing Varian Data Machines. We at Varian feel that our systems are the latest state of the art equipment manufactured in the world.

The enclosed proposal will more than meet the requirements of your objective to monitor the three instruments, installed at your plant in Massachusetts.

We look forward to adding Olin Corp. to our growing list of satisfied customers. If you have any questions regarding this proposal please do not hesitate to call.

Very truly yours,
