EPA Administrator Pruitt Speaker Request Form.docx

Hi Lisa,

I apologize for taking some time in returning your below request. We've had some changes to our scheduling team and I can handle your requests moving forward. Unfortunately, the Administrator will be traveling the week of October 16 and we're just not able to make this work that week. However, we'd be happy to consider an alternate date. Do you have other dates that would work for him to address the group?

I've also attached our speaking request form which I see you sent below. Feel free to update that original form with the new dates.

Thank you so much and we hope to make this work in the future!

Sorry for the delay on this.

I am going to suggest the week of September 11 or the week of October 16. We need to avoid September 21-22, which is Rosh Hashana. We should also avoid September 26.

Let me know what you think.
