MEMORANDUM

TO: CMA PCB Program Panel
FROM: Tim Hardy *TSH/1*
DATE: May 13, 1987
RE: Reportable Quantity Comments

Attached is a rapidly put together draft of Panel comments on EPA's proposal to lower the reportable quantity for PCBs from 10 to 1 pound. The comments need to be filed this Friday (May 15), so please get your comments back to Liz or me as soon as possible. I will be refining the comments to clarify them over the next few days.
