Rick,

I know I'm losing it, but I know I answered this last week. P&O and Evergreen are the contracted carriers to Chittagong. APL can be used (especially for Titanium Dioxide), but it's a tariff rate, which I do not recommend. And, I'd stay away from OOCL all together (just for Chittagong, that is!)

Anna

HELLO ANNA,
PRIOR TO BOOKING ABOVE SUBJECT ORDER, WOULD LIKE TO OBTAIN YOUR
CONSENT AS TO ROUTING. WE ARE EXPEDITING 1X20 FT OF TiO2 FROM
NEW ORLEANS TO CHITTAGONG. XT INITIATION AND ROUTING GUIDE
REFLECTS APL & OOCL, IN WHICH BOTH CARRIERS ADVISED NOT PART
OF SERVICE CONTRACT. DO WE HAVE A CONTRACTED ALTERNATIVE OR
IS IT O.K. TO UTILIZE CARRIERS TARIFF.
