

watcher Jackson eagerly as he went to his right and left, as he came back into the outfield on Texas runners and came in fast on slow field hits.

Getting the ball, he would throw on any position and put plenty of stuff on it. Only a player with good pair of legs can do such things in the infield.

It seemed that Jackson was fitted to be the great help to the Giants that had been predicted by experts for a couple of years.

Working with the brilliant Rogers Hornsby, he seemed for far the best year of his career. McGraw refused over this combination of the chances of his club to win.

Hard Luck Guy

On every ball club certain athletes are known as hard luck players. Travis Jackson plays that role on the Giants.

With the season scarcely a week away, Jackson was suddenly taken with appendicitis, necessitating an immediate operation. Even if the operation is successful in every way and attended by

Paint

is only $\frac{1}{3}$ the cost of Painting

Then why not have Fuller Quality?

SUCH a small part of your painting dollar is spent for paint that it is real economy to use the best. Good paint actually lessens labor costs because it goes so much further. Then, too, lasting beauty and protection are entirely dependent upon quality.

Pure Prepared and Phoenix Pure paints are the finest ready-mixed paints for all general purposes. They contain only pure pigments, mixed with the highest grade linseed oil.

And of the same high quality are Fuller Porch and Step Paint and Pioneer Shingle Stain. You cannot buy greater value; you shouldn't be satisfied with less!
