**Subject:** Invitation to ACC Environmental Management Committee Meeting

Hello Samantha,

Hope all is well. My name is Brendan Mascarenhas, Director in ACC's Regulatory & Technical Affairs department for Environment issues. I recall that you visited ACC a few months ago to give our Environmental Management Committee an update on the beginning stages of EPA's regulatory reform activities. Our members were very appreciative of your time and input into EPA's path forward. Since then, I have taken over management of the Committee from Anna Burhop. In putting together our next meeting, a number of members expressed a strong desire to have you back for a follow-up discussion.

If you have the time, we would be thrilled to have you back for a follow-up on EPA's current status, expected next steps, and the means in which we can be helpful to you through that process. We have an in-person meeting scheduled for next Thursday, September 21<sup>st</sup> from 10 a.m. ET-3 p.m. ET. If you have any availability that day and could join us for a brief 15-30 minute update/Q&A (either over the phone or in-person), we would greatly appreciate it. I realize your schedule must be quite busy, but any time you (or one of your staff) had available would be perfect for us. Let me know when you get the chance. Thanks very much.

Regards,

Brendan
