Mr. Stacey covered the purchase of Wisconsin by Aluminum Industries explaining how the business would be operated, discussed the purchase of Dittmer Gear and Manufacturing Company by Borg-Warner and explained why B*K Huffman had to discontinue as a NAPA line.

The following manufacturers appeared and made talks regarding their lines and their programs for NAPA:

Federal Bearings Company - Charles Lansdale
Dana Corporation - Neil A. Moore
Martin-Senour Company - W. M. Stuart, J R. Degnan, R. W. Hughes
American Brakeblok - Hans M. Siverts
