DOC#: GE165

DOCUMENT DESCRIPTION: Handwritten Letter to Doctor

1922

Miami

March 21st

Dear Doctor

Just concluding a 12,000 mile journey. Mail followed me. Yours arrived Jacksonville - mailed report from there to our Chicago office - requesting them to relay to you.

Hydraulic blasting should be considered. Talked to man in St Louis - has something new. Will give you details later.

Under circumstances you will have to forgive delay.

Wishing you every success.

Harry Gault.
