Subject: Asheville I40 Trip with Secretary Duffy

Hi Jon – I believe Pete had reached out regarding the possibility of Senator Blackburn joining Secretary Duffy to a site visit near Asheville, NC to focus on DOTs response to the hurricane damage on I40 on Monday, February 10. I wanted to touch base to see if the Senator will be able to join and perhaps provide additional information about the trip. My cell is (b)(6) happy to chat further if you have a spare moment.

Thanks!

Hannah
