Hi Leila,

I wanted to follow-up on the request for a meeting between Mr. Shellebarger and Secretary Zinke sometime in September. As mentioned, if the dates provided do not work well for the Secretary, we're more than happy to look into additional dates for a meeting—to take place in Washington, Houston, or New Orleans.

Thanks again and have a great evening,
Shawn

Good morning Luke,

I am reaching out on behalf of Jeff Shellebarger, President of Chevron North America Exploration and Production Company, to schedule a meeting with Secretary Zinke. Mr. Shellebarger has time available to meet with the Secretary in Washington during the month of September, in order to discuss issues pertinent to domestic energy exploration and production including regulatory reform and permitting processes.

Attached is a formal meeting request from Maria Pica Karp, Vice President and General Manager of Chevron Government Affairs. Should you or Secretary Zinke's staff have any questions, please do not hesitate to contact me.

Thank you for your consideration. I look forward to hearing from you.

Shawn
