v. The Dow Chemical Company, Union Carbide, et al
Your File No. D-16183

Dear Joe:

I have just received the Court's endorsement of the Defendants' Joint Motion to Modify Pre-Trial Scheduling Order. Unfortunately, the Court has re-scheduled the conference to July 17, 1990, a date which I had mentioned to you was unavailable for me as I am scheduled to be on trial at the United States District Court in New Hampshire. I have not yet seen any papers which you promised to file with the Court correcting the requested date for the conference. filed 5/18/90

Since you have initiated this process, I would appreciate your following through with it with the Court in order to get this date changed. Otherwise, please call me right away so that I can take whatever steps are needed from this end to have the scheduling conference re-scheduled once again.

Thank you.

Very truly yours,

Sharon R. Burger
