

VETERINARY LABORATORY.
COLLEGE OF MEDICINE, UNIVERSITY OF CINCINNATI
525N AVENUE, CINCINNATI, OHIO 45216

Source: Employees of Pittsburgh Corning Corporation, Port
Allegany, Pennsylvania

Material: Blood

Submitted: 4-18-66 by Dr. Lee B. Grant, Pittsburgh Plate Glass
Company, #1 Gateway Center, Pittsburgh, Pa., for
Port Allegany Community Hospital, Port Allegany, Pa.

Required: Lead Analyses

BLOOD

Name	Analysis Number	Dithionite	
		Weight Grams	Mg. Pb/ 100 G.
Emmet, George	66A-1770	16.9	0.030
Joseph, Charles	66A-1763	20.2	0.035
McIsaac, Edward	66A-1764	21.2	0.045

The concentration of lead in each of the blood specimens is well within normal limits and does not suggest any abnormal exposure to lead.

Signed:

George Roush, Jr.
George Roush, Jr., M.D.
