Subject: Defend the good life

Kenneth,

I love this time of year. It's a time of gratitude where we see how blessed we are—as people, as families, and as a nation. It puts things in perspective.

When it comes down to it, limited government, economic freedom, and conservative principles aren't the goal in themselves, they're the means to a bigger goal: to give you and your family the chance to live the good life in a country filled with opportunities. That's the country we all believe in, and the one that Heritage is here to defend.

Can I count on you to defend freedom alongside us?

Your gift helps ensure that America is the land of freedom and opportunity for generations to come, and will give you member benefits like exclusive member briefings and invitations to special events.

Please donate using this link so it will count towards our one million dollar goal:

Thanks for all you do to defend the good life.

Wishing you and yours a happy New Year,
