Hi Drew – thank you for reaching out and congratulations on your new role! I am excited that you have taken the lead at a most vital organization in our industry.

Hopefully soon I will be able to let you know when I'm officially in my role as Assistant Secretary. Until then I am honored to be working with your teams on special infrastructure projects like wildfire mitigation.

I look forward to working with you.

All the best,
 Katie

P.S. – so nice to see you Lisa on the cc line :)

Katie,

Just wanted to pass along that I have officially started my second week at Edison Electric Institute, the association representing all U.S. investor-owned electric companies. Our members provide reliable electricity for nearly 250 million Americans, and operate in all 50 states and the District of Columbia. As a whole, the electric power industry supports more than 7 million jobs in communities across the United States.

I look forward to being a resource to the Administration, please let me know if I can be helpful.

Regards,
 Drew
