Mike,

We greatly enjoyed talking with you, Tate, and Stephen yesterday and we look forward to a continued dialogue about opportunities to collaborate.

We also appreciate your offer to help us accelerate the on-boarding of John Ryan, the Infrastructure Fellow we have recruited for the EPA. John will be working with Jim Gebhardt to advance the work of EPA's Water Infrastructure and Resiliency Finance Center.

As we mentioned, BPC is developing the Infrastructure Fellows program for OPM as part of the Presidential Executive Fellows program. John Ryan is the program's first Infrastructure Fellow (CV attached). We understand that his paperwork is being processed by EPA's HR department in Las Vegas. Any assistance you could provide would be greatly appreciated.

Please let me know if I could be helpful with questions.

Many thanks,
Jill
