Sydney,

I really need him on Friday as I want him to speak at a private lunch we have planned. Would like to discuss this with you.
And I want to know how public vs private things you would like to us to set up.

I am close finishing a meeting at the DOJ and on a plane to Dallas at 6:40 and can come by for ten minutes if you have time. thanks for your response. bf

Hi Bruce, apologies for the delay. We are only just now looking at that week in April. We are discussing/planning out how the travel will work those days. Question for you, is it possible for us to move Friday's schedule to Saturday? I am not 100% that it will be necessary but it is a possibility.

Thank you!
Sydney
