Due to many radio log changes at the beginning of the fall season, some of the stations have been tardy in relaying the news to The Herald In order that Herald readers can rely on the accuracy of their radio logs every effort is being made to get the correct information in time for each evening's paper. When it is not possible to do so however, the letters T B A. will indicate that the program is "to be announced" The radio log is a service to our readers. The Herald is trying to make it a good service
