Dear Dr. Winslow:

Your telegram received this morning - "Please be sure Executive Committeemen receive Sand Blast Report before Monday." These were all mailed last Friday and should have been in the hands of our committeemen on Monday of this week, March 7.

Our President has asked that the two reports be briefed for the convenience of the Executive Committeemen at their meeting on the 15th. Dr. Sappington will have these sent to me in time for the meeting and we shall enclose copies in all of the folders for use at this meeting.

Sincerely yours,

W. H. Cameron
Managing Director
