Mr. F. J. McDonald
Vice President
Johns-Manville Sales Corporation
22 W. 40th Street
New York 18, New York

Dear Mr. McDonald:

This has reference to your letter of April 24th and that of April 29th relative to the 3.10/cwt. allowance matter during the month of February.

In view of the extended discussion on this matter and other pricing problems in the New York office on May 1st, May 21st, Westall will take no action at this time. The general review on the prices of Gypsum Products to Johns-Manville by Westall will be considered as of August 1.

As was pointed out in the discussion on this and other matters, adjustments of Westall to J-M must be made solely on careful consideration of the contract, its interpretation, and any other agreement but should not be influenced by Johns-Manville adjustments to Johns-Manville customers.

Very truly yours,

WESTALL CEMENT-TEED SALES CORP.
