Dear Dr. Mancuso:

Under date of February 8, 1962, I received correspondence from the Commonwealth of Pennsylvania Department of Health, which was apparently in response to some correspondence you had with that department as a result of my letter to you dated February 6 in reply to your letter of February 5, asking for information on dates of employments of certain individuals who were former employees of this company.

Upon the best advice available at the present moment, we maintain the position expressed in our letter of February 8th, refraining from divulging any information such as you requested.

Very truly yours,

H. E. Fain
Factory Manager
