George,

I am not clear about the issue. Would you like to visit at 2?

Do you have 10 minutes tomorrow (Friday) re Wind River Tribes? I can come over. The two tribes have reached an agreement and will be doing some sort of a signing ceremony at the end of the month. A councilman who was in for a Senate hearing relayed that to Mike Black today when we were at BIA. Mike said it was the best news he had received all week! Just need to make the litigation go away and things can get back to normal.

(I am assuming you are following this issue, at least tangentially. If not, this email and my last one probably make no sense to you.)

Thanks, Jim.
