Hi, Jodee,

My name is Kjersten Drager, and I work on ConocoPhillips' federal government affairs team here in DC. I was given your name as someone who might be able to point me in the right direction.

Our SVP for Global Operations, Kirk Johnson, and President of ConocoPhillips Alaska, Erec Isaacson, are going to be in DC Feb. 19 and 20 for meetings. They would like to meet with the right person(s) at DOI to discuss some somewhat timely issues for us in Alaska. As there is no Deputy Secretary, ASLM or BLM Director yet in place, and we know nominees are unable to meet, can you tell me who the right person might be?

I really appreciate your help!

Best, Kjersten

Dear Kristin,

I hope this email finds you well. I wanted to bring to your attention a potential meeting opportunity. Yesterday afternoon, Andrew Lundquist and Secretary Burgum had a chance to meet at a Ducks Unlimited event. During their conversation, the Secretary mentioned he would be in Houston next week for CERAWeek and expressed an interest in meeting with Ryan Lance.

Could you please let me know if we can facilitate a meeting between Secretary Burgum and Ryan Lance when the Secretary is in town for CERAWeek?

Thank you for your assistance in arranging this meeting. I look forward to hearing from you soon.

Best regards,

Josette

Hi, Kristin. No worries. I get it. I worked at the White House right after President George W. Bush took office, and I know it takes time to get things running. I texted with Wynn on Friday – he reached out to see if we had nailed down a time yet. I told him we hadn't yet, but it appeared to be in the works. Here are our open times:

Thursday 2/20: We could be available anytime until 12noon (we have a 10-11am at our office near the Navy Memorial Metro but we could move that if need be to accommodate a meeting with Wynn, but 8:00, 8:30, 9:00 or 11:30 would be much preferred so we could avoid having to reschedule our 10-11; Kirk flies out that afternoon)

Wednesday 2/19: We have to head to the Senate at 11:15 but could do something before then, although it would involve moving things around that morning which we would love to avoid if we can, but DOI is a priority meeting for us. Otherwise, we're tied up in the afternoon in the Senate and at the White House so the afternoon is tough. If we have to move things around Wednesday morning, we could do 8:30 or 9:00 or 9:30 easily; 10 or 10:30 as a last resort because that is trickier).

Thanks! Kirk is only here for a day and half so we appreciate your accommodating!

Hi Kjersten,

Apologies for the delay – as you can imagine it's a bit hectic as I try to get my team up and running. Definitely a small world that Kevin Avery had lunch with my husband! I'll talk to Paris who is working on

Wynn's schedule to get a time for this week. Can you let me know your open time frames if not the same as the ones below in the thread?

Thank you!

Hi, Kristin. Just checking back in. I left you a voicemail yesterday as well and mentioned that I learned my colleague here in our DC office, Kevin Avery, had lunch with your husband last week in Houston. Small world! Anyway, I know how busy you are, and I don't want to pester you – if there is somebody else that we should reach out to, just let us know. We are looking to schedule a call with Wynn for our SVP for Global Government Affairs, Andrew Lundquist, sometime over the next couple of days, and then a meeting with Wynn for next week for our executives who will be in town that I mentioned below. Those details are:

Our SVP for Global Operations, Kirk Johnson, and President of ConocoPhillips Alaska, Erec Isaacson, are going to be in DC Feb. 19 and 20, and we are hoping to schedule time to meet with Wynn. ConocoPhillips very much appreciated President Trump's Alaska-specific Executive Order and the President's ongoing recognition of the tremendous resource potential that exists in Alaska. As the State of Alaska's largest oil producer, we would like to provide Wynn with an overview of our Alaska business, our Willow project, and talk about some issues related to the National Petroleum Reserve-Alaska, some timely.

Some possible time options on our side to get things started are:

Wednesday, Feb. 19: 10am, 2:30pm, 3:00pm, 3:30pm
Thursday, Feb. 20: 8am, 8:30am, 11:30am

Audrey is copied here and can help coordinate schedules.

Thank you, Kristin. When I sent my note to JoDee Hanson, I wasn't aware that a chief of staff had been named for DOI. In follow up, I sent the below note to Wynn Radford. It would be great if we could meet with Wynn. Can you possibly help with that?

Many thanks,

Kjersten

XXXXXXXXXXXXXXXXXXXXXXX

Wynn:

Congrats on your new position at DOI! That is fantastic. I look forward to working with you in your new role. ConocoPhillips has a large presence on federal lands in New Mexico, North Dakota, and Alaska.

Also seeking your guidance on something. Our SVP for Global Operations, Kirk Johnson, and our President of ConocoPhillips Alaska, Erec Isaacson, are going to be in DC Feb. 19 and 20 for meetings. They would like to meet with the right person(s) at DOI to discuss some somewhat timely issues for us in Alaska. Would you be open to meeting with us? As there is no Deputy Secretary, ASLM or BLM Director yet in place, and we know nominees are unable to meet, we are trying to figure this out.

Really appreciate your consideration. I emailed Jodee Hanson earlier today for some guidance as well before realizing that you were over there serving as chief of staff. Someone had given me Jodee's name as someone who might be able to help.

Congrats again.
