Dear Dr. Lewinsohn:

The Environmental Health Section of the American College of Chest Physicians has formed a Committee on the Standardization of Criteria for Asbestos Related Diseases. I am writing to ask if you are willing to serve on this Committee. The principal task will be to review and comment on the statements which will be sent to you. Our objective is to present an authoritative overview of the current state of knowledge while pointing out areas where additional information is necessary. If you are willing, please call me at (617) 522-5800 ext. 1968, or write to me at the Faulkner Hospital, 1153 Centre Street, Boston, Massachusetts 02130.

Sincerely yours,

R Murphy, Jr.
