E. Albiach
Safety Director
Petroquimica Espanola S.A.
Planta De San Roque
Apartado 40
San Roque
Cadiz, SPAIN

Dear Mr. Albiach:

I have discussed your request for information concerning medical monitoring of employees exposed to benzene with Dr. Jack Drumwright, Chemicals' Medical Director. Enclosed is the correspondence from him. As mentioned, these guidelines came from Conoco Medical Division's Policy and Procedures Guide.

Please let me know if you need further information concerning this subject.

Sincerely,

Thomas G. Grumbles, Director
Industrial Hygiene
