This is just a note to let you know that Dan's address, phone and fax number here at Edward Howard recently changed, as indicated on the enclosed business card.

Dan will be working out of our Akron office as part of our firm's plan to expand that office's activities. The change will have absolutely no effect on his work for PRO, and he and I expect that you will not even be aware of the change.

However, please do add this new information to your Rolodex file. And, if you have any questions about the move, please feel free to call either one of us at any time.
