

March 17, 1970

Dr. Ron Jevero
Appleton Coated Paper Company
Appleton, Wisconsin 54911

Dear Dr. Jevero:

Regarding our phone conversation, I would like to confirm our offer to analyze air samples for you. Please send them to my attention at -

Monsanto Company
Lab 211-U
1700 South Second Street
St. Louis, Missouri 63177.

I have included with this letter a copy of an article showing Aroclor vapor tolerance levels and a copy of the method we will use to analyze your samples.

Sincerely,

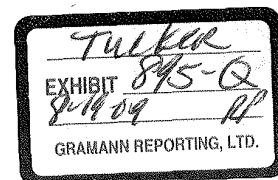

E. S. Tucker
Senior Research Chemist
Applied Sciences Section
